

UltraShed® Environmental Centers Chemical & Equipment Storage Buildings

The patented RGF UltraShed® Environmental Centers are state-of-the-art, custom built, prefabricated, and engineered equipment and chemical storage and containment buildings. The buildings are constructed of the finest quality materials and can be built to include the Ultrasorb® Wash Water Recycling Systems.

The standard UltraShed® is 8' 6" wide and is quoted by the square foot, up to 24' long.

This includes established colors, chemical resistant coated surfaces, key locking metal door, and removable steel floor grating on an open frame base.

The UltraShed® Environmental Centers can be equipped with many options such as chemical storage, air conditioning / heat, secondary containment, etc. Listed below is a list of the available options. Call RGF and a system integrator will assist in custom designing your UltraShed® Environmental Center to suit your needs.

| <i>Item #</i> | <i>Description</i> | <i>Unit</i> |
|---------------|---|-------------|
| U-SHED | Standard 8' 6" Wide Assembled Building (up to 24' long) | sq. ft. |

UltraShed® Options

| <i>Item #</i> | <i>Description</i> | <i>Unit</i> |
|---------------|---|-------------|
| OI-024 | Secondary Containment Skid | sq. ft. |
| OI-025 | Vapor Tight Lighting | sq. ft. |
| OI-026 | Auto Entry Added to Vapor Tight Lighting (per door) | each |
| OI-027 | Auto Entry Electrical Ventilation System | each |
| OI-029 | R12 Vinyl Sided Insulation Package | sq. ft. |
| OI-030 | Thermostatic Electric Heater for Equipment Room | each |
| OI-031 | A / C & Heater Unit for Chemical Storage Room | each |
| OI-032 | 8'-6" Wide Interior Separation Wall | each |
| OI-033 | 3'-0" Key Locking Metal Door | each |
| OI-034 | 3'-0" Key Locking Metal Louvered Door | each |
| OI-035 | Emergency Panic Bar Door Release | each |
| OI-036 | Emergency Eye Wash and Shower | each |
| OI-037 | 18" wide Corrosion Resistant Shelving | foot |
| OI-038 | 18" wide Metal Grate Shelf System | foot |
| OI-039 | Canopy Roof System (Kit) | sq. ft. |
| OI-040 | Recycle System Install Package (includes 100 A Panel) | each |
| OI-041 | Custom Exterior Color | sq. ft. |
| OI-042 | Containment Sump Leak Alarm | each |
| OI-043 | Paint Interior Walls White | sq. ft. |
| OI-044 | Upgrade steel Floor Grating to Fiberglass | sq. ft. |
